

Texas Instruments to webcast review and update of Capital Management Strategy

March 6, 2014

DALLAS, March 6, 2014 /PRNewswire/ -- Texas Instruments Incorporated (TI) (NASDAQ: TXN) will webcast a review and update of the company's Capital Management Strategy, on Thursday, March 13, at 10 a.m. Central time.

During the call, Kevin March, senior vice president and chief financial officer, will review how TI is in a unique class of companies that are able to grow, generate cash and return it to shareholders for the long term. He will review TI's 2013 performance against its stated capital management metrics and discuss management's expectations for performance in the years ahead.

You may access the webcast on the Investor Relations section of the company's website at www.ti.com/ir. An archived copy of the webcast will be available shortly after the call concludes.
